SUBJECT: FBO Program Review [REDACTED] 20-21 Jan '87

Hank,

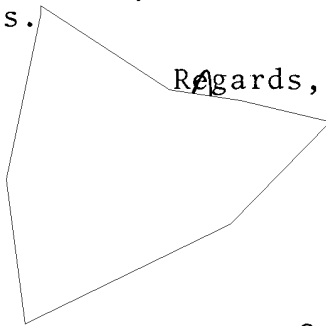

STAT
You will recall that I planned to take my group [REDACTED]
on 20/21 January for two days of program review and policy/
procedure development.

I have invited John Ray to be our Guest Speaker the evening of 20 Jan, and I expect he will provide a Logistics update and pep talk to his boys. Our agenda is attached and you will note that I have invited a contractor (SAIC) who will present a proposal to assist us in the program management of our substantial FBO activities.

We would be happy to see you for any or all of the program if your schedule permits.

Regards,

STAT
